MINN. POLLUTION
CONTROL AGENCY

Dear Sir:

Per your request dated December 7, 1972, we wish to inform you that Gallagher's Service, Inc. of Minneapolis has been transporting wastes from the Arden Hills facility of Control Data Corporation since 1963.

Attached is a recent memo from Gallagher's indicating details of waste disposal:

1. "All bulky dry waste is dumped at the Hendascran Transfer Station at 9151 Central Avenue N.E., then transported to the landfill at East Bethel, also approved by P.C.A."
2. "All toxic materials each month are dumped at the P.C.A. approved landfill, Waste Disposal Engineering, 14435 Crosstown Blvd, Anoka. This landfill has a P.C.A. permit to dispose of toxic materials."

Toxic liquids are transferred in 55 gallon drums. Gallagher's Service does, at times, supply us with drums for toxic waste accumulations.

At this time, it is our intention to continue this service with Gallagher's Service, Inc. If you have any further questions regarding waste disposal at this facility, please call me.

Yours truly,

David J. Tregilgas, Manager

Chris, Nelson:

Regarding disposal of waste materials from Control
Data.

All bulky dry waste is dumped at the Henderson
Transfer Station at 9151 Central Ave. N. E., then
transported to the land fill at East Bethel, also
approved by P. C. A.

All toxic materials each month are dumped at the P. C. A.
approved land fill, Waste Disposal Engineering, 14435
Crosstown Bv, Anoka. This land fill has a P. C. A.
permit to dispose of toxic materials.

Gallagher's Service, Inc.
9151 Central Ave. N. E.
